

Aerospace Corporation takes your health, safety and wellbeing very seriously. As a cautionary measure to protect you from any potential exposure to COVID-19 (coronavirus), Aerospace Corporation has decided it's best that one-on-one meetings with a Fidelity Retirement Planner be conducted virtually until further notice.

Thomas Huerta, William Giesen, and Christian Frost, your Fidelity Retirement Planners for Aerospace Corporation, are ready to help you address your many questions. Meet with Thomas, William, or Christian one-on-one and you'll be able to tap into the education, resources, and support that only a trusted partner can provide. Plus, consultations with a Fidelity representative are complimentary at no additional cost to you as an employee benefit.

If you have financial questions, they are here to help. No question or concern is too large or too small. If you would like to connect virtually you can schedule time via our online scheduling. They will be at a remote location and available for phone-based consultations with the option of using Zoom video conference. Schedule a time to meet by going online at [getguidance.fidelity.com](https://getguidance.fidelity.com)

Please consider bringing relevant account statements and any paperwork to help address your questions and needs.
