

2022 EMPLOYEE BENEFITS OPEN ENROLLMENT

Get coverage for the things you plan
for and for the things you don't.

Open Enrollment:
December 6 - 12, 2021

This 2022 Benefits Guide is not an employment contract or an offer to enter into an employment contract, nor does it constitute an agreement by the corporation to continue to maintain the plans described or referred to in this document.

Although the corporation intends to continue these plans, the corporation reserves the right to amend, change, modify or terminate the plans at any time. The corporation's decisions to amend, change, modify or terminate these plans may be due to changes in federal or state laws governing welfare benefits, the requirements of the Internal Revenue Code, the requirements of the Employee Retirement Income Security Act of 1974 (ERISA), the provisions of a contract or policy involving an insurance company or any other reason.

Plan participants and beneficiaries do not have a vested right to any plan benefits. If the plans are amended, changed, modified or terminated, plan participants and beneficiaries will not be vested in any plan benefits or have any further rights other than payment of covered expenses to which they were entitled before the plans were amended, changed, modified or terminated.

Any examples in this Benefits Guide are included for illustrative purposes only. They are not intended as recommendation of action you should take or benefits you should elect.

All listed changes are pending ratification of the 2021-2022 Collective Bargaining Agreement between Aerospace and APSA.

Have Benefit Questions?

Call the Aerospace Benefits Service Center
310.336.7000 (option 3) or 844.361.2400
7 a.m. – 4 p.m. PT, Monday through Friday

Changes to Coverage Must be Made by December 12, 2021

Changes to coverage or enrollment in Flexible Spending Accounts must be made online through the Aerospace Benefits Service Center portal by the end of the Open Enrollment period.

Please follow this path to access the Aerospace Benefits Service Center portal:

- > Visit info.aero.org
- > Go to Employee Self Service (ESS) in the General Tools panel
- > Go to Benefits Services
- > Review and update your benefit elections, if you have not already done so

Changes made by the deadline will take effect on January 1, 2022.

Read more on page 5.

2022 Open Enrollment

For 2022, Aerospace continues to look for ways to offer you more benefits choices to support both your physical and emotional well-being. As a result, we're introducing a new medical plan, two new dental plan choices and a more comprehensive emotional wellbeing program through Anthem.

Read about these and other changes then consider your needs and enroll in the coverage that's right for you and your family.

ENROLL IN YOUR 2022 BENEFITS FROM DECEMBER 6 - 12, 2021

What You Need to Do

During Open Enrollment, you may change your current benefit plan elections, including covered dependents, for medical, dental, vision, life, disability and voluntary personal accident plan coverage. You may also elect to make contributions to Flexible Spending Accounts (FSAs) or establish a Health Savings Account (HSA) for 2022. Remember, even if you choose to retain last year's medical coverage elections, you must actively re-enroll in FSAs and the HSA every year during the Open Enrollment period.

PREPARE

- 1. Review Your Choices:** Review the options and costs outlined in this brochure. Summary of Benefits and Coverage for each medical plan and legally required notices can be found on the Aerospace Benefits Service Center portal by clicking on "Plan Documents" under "Frequently Used Resources."
- 2. Confirm Dependents:** Confirm your dependents meet eligibility requirements for the plans you select (see page 9).
- 3. Decide on Your Benefits:** Determine your benefit choices for 2022. If you don't actively select benefits for 2022, your 2021 elections will automatically continue — with a few exceptions — and you'll be responsible for any new cost-sharing premiums. Here are the exceptions if you don't enroll:
 - If you're currently enrolled in the Delta Dental PPO, you will be enrolled in the new Premium DPPO plan.
 - If you're currently enrolled in the Cigna or Anthem DHMO, you will be enrolled in the Delta Dental DHMO.
 - If you currently contribute to an FSA or HSA, your contributions will end on December 31, 2021.
- 4. Consider an FSA:** Decide if you want to enroll in a Healthcare or Dependent Care Flexible Spending Account (FSA) for 2022. You must actively enroll in FSAs every year. Your 2021 FSA contribution elections will not rollover to 2022.

Be sure to use the spending account calculator on the new Aerospace Benefits Service Center portal for help deciding how much to contribute.
- 5. Ask for Help:** If you have questions, contact the Aerospace Benefits Services Center at 310.336.7000 (option 3) or 844.361.2400 (toll-free).

Enroll Online

If you want to make changes to your benefits coverage or enroll in a Flexible Spending Account, access the Aerospace Benefits Service Center portal.

Keep reading to see instructions on how to register and enroll.

AEROSPACE BENEFITS SERVICE CENTER PORTAL

REGISTER (FIRST-TIME USERS)

If you have not visited the Aerospace Benefits Service Center portal, you'll need to register:

1. Go to the Aerospace Benefits Service Center portal at info.aero.org
2. At the login screen, click **Register**
3. The first time you access the site, you will need to enter your personal information:
 - a. First and last name (as on record with Aerospace)
 - b. Date of birth
 - c. Five-digit Aerospace badge number (include leading 0s)
 - d. Click **Next**
4. Create a user ID and password:
 - a. Your user ID can be your work or personal email address
 - b. Your password must have at least eight characters, one letter, one number, one symbol (i.e., * & + # \$) and should not be associated with any Aerospace password
5. Set up a security question and answer to use in case you forget your password
6. Read the terms of service agreement and click **I Agree**

ENROLL (ALL USERS)

If you have visited the Aerospace Benefits Service Center Portal previously:

1. Go to the Aerospace Benefits Service Center portal:
 - a. Visit info.aero.org
 - b. Go to Employee Self Service (ESS) in the General Tools panel
 - c. Click **Benefits Services**
 - d. You'll see a pending event screen for Open Enrollment.
2. When you're done making changes, click **I'm Ready to Finalize My Elections**
3. Take time for a final review of your elections
4. When you're ready, click **Submit My Elections**
5. To confirm your enrollment, click Submit (This is important! Your elections will not be recorded until you click **Submit**)
6. You'll see a final confirmation summary and receive a confirmation number for reference. Click **Print** to receive a copy for your records. (You can always print a copy later by revisiting the site and going to **Benefits History**.)

Please note: If you change medical plans, you will receive a new medical plan card in January 2022.

You must complete this process by the end of the Open Enrollment period, which ends December 12. Changes take effect on January 1, 2022.

What's New for 2022

NEW CDHP MEDICAL PLAN

Aerospace is introducing a new Anthem Basic CDHP medical plan option. The current Anthem CDHP will be renamed as the Anthem Premium CDHP. The new plan will take less out of each paycheck than the current Anthem CDHP, but your cost may be higher when you need medical care. See page 11 for details.

PRESCRIPTION DRUGS FOR ANTHEM PARTICIPANTS

NEW NATIONAL FORMULARY

The formulary used to determine the benefit payable for brand name prescription drugs is changing to the Express Scripts National Preferred Formulary, effective March 1, 2022. For most employees, this change will have little-to-no impact on your coverage. However, some high-cost drugs that have acceptable equivalents (a less expensive brand or generic), will no longer be covered. The most common differences will be among drugs that are available from multiple manufacturers, blood glucose monitors, insulin and inhalers. If you or a family member is affected by this change, you will receive a letter from Express Scripts in late January that provides information on the choices available to you.

NEW SMART90 PROGRAM FOR MAINTENANCE DRUGS

If you're taking a long-term or maintenance medication, effective March 1, 2022, you will have two options for refilling 90-day prescriptions: by mail (as you do today) or through one of the Smart90 retailers, Walgreens and CVS. If you're taking a specialty medication for certain chronic conditions, your prescriptions will be filled through Accredo, Express Script's specialty pharmacy (see below for more information).

ACCREDO FOR SPECIALTY MEDICATIONS

If you or a family member is taking medications for complex and certain chronic conditions, your prescriptions must be filled through Accredo, the Express Scripts specialty pharmacy. These pharmacists coordinate with your health plan and physicians to help you manage your condition and ensure your medications are safely handled and delivered to you. They will also contact you to provide individualized counseling and education, ensuring you understand how you should be taking your medications and any side effects or drug interactions to watch out for. Other services provided by Accredo include: Ongoing support from specialist pharmacists and nurses to help improve your health outcomes and reduce costs. Improved access to the widest range of limited and exclusive distribution drugs. Prescriptions filled through Accredo may include drugs for certain cancer diagnoses, Crohn's disease, infertility, rheumatoid arthritis, osteoporosis and ulcerative colitis. You will be contacted by Accredo if you are impacted by this change.

NEW ANTHEM PROGRAMS

We're adding several new programs to help members with specific needs better manage their physical and emotional wellbeing. Here's a quick look:

Care Navigators – a behavioral health concierge that connects plan members with the care they require in real time.

Learn to Live - provides comprehensive, whole-health support, giving Anthem participants access to new emotional well-being resources. This virtual care program replaces the myStrength program.

Hinge Health – a program that provides coaching, digital physical therapy and other services to help patients with musculoskeletal injuries, with a goal to help reduce unnecessary surgery and manage chronic pain.

AIM - a musculoskeletal (MSK) program for individuals who will be undergoing spinal or joint surgery, or who experience chronic pain.

Catapult Health - a national preventive healthcare practice that brings preventive checkups (diagnostic blood work, blood pressure and BMI) to you through virtual appointments.

Diabetes Prevention Program (DPP) – an outreach program (provided through Lark Health) that identifies individuals who are most at risk of developing diabetes and offers coaching, app-based health content and personal insights to help prevent diabetes.

ALL DENTAL PLANS OFFERED THROUGH DELTA DENTAL

Dental benefits will be provided through Delta Dental and two new Delta Dental PPO plans will replace the current Delta Dental PPO plan. The Cigna and Anthem dental plans will no longer be offered. See page 19 for details.

NEW LIFE INSURANCE CHOICES

Starting in 2022, you will have additional optional life insurance coverage choices for you and your family. The maximum employee life insurance coverage available will increase from \$1,500,000 to \$2,000,000. The maximum coverage for spouse or domestic partner life insurance will increase from \$50,000 to \$250,000 and the maximum child life insurance coverage will increase from \$10,000 to \$25,000 (per child).

“What is Health Advocate and how can it help me?”

Health Advocate is a free service paid for by Aerospace that provides access to experts who can help you navigate the confusing world of healthcare services, providers, diagnoses, claims and more. This dedicated team of healthcare professionals does the legwork so you get the right care and support you need. Some examples:

- Explanations of health conditions, diagnoses and treatment options using everyday language you can understand to make more informed care choices.
- Help coordinating medical care, such as pre-authorizations, benefit plans, in-hospital support and finding care after discharge.
- Identifying and connecting you with leading specialists and Centers of Excellence, as well as arranging for second opinions and medical record transfers.
- Help finding doctors, making appointments, reviewing medical bills and resolving claims and billing issues.

Get the App

Download and use the Health Advocate mobile app to engage with experts, participate in and track healthy activities, check a case status and more!

Eligibility

Employees

Regular Aerospace employees and their eligible dependents may participate in any of the benefit plans in this guide. Temporary employees and their eligible dependents may participate in the medical and voluntary personal accident plans, but are not eligible to participate in the dental, vision, life and disability plans, or the FSAs.

Changes to Enrollment or Coverage

If you are a new hire, you can enroll in or make changes to your coverage within your initial 31-day enrollment period. Otherwise, the only time you can make changes is during the annual Open Enrollment period or following a special enrollment or change in status event.

These include:

- Changes to the number of your eligible dependents
- Loss of other coverage
- Changes to employment status
- Changes to place of residency or worksite

Generally, changes made outside of Open Enrollment must be consistent with any change in status. Certain time limits also apply. For more details, see the summary plan description or other plan documents of the applicable benefit located on the Aerospace Benefits Service Center portal by clicking on “Plan Documents” under “Frequently Used Resources.”

Eligible Dependents

Eligible dependents include:

- Current legal spouse or same-gender registered domestic partner
- Eligible children under age 26
 - Your eligible children include your stepchildren, legally adopted children and children for whom you have been appointed legal guardianship
 - Unmarried dependent children age 26 or older, if they are physically or mentally disabled and depend on you for financial support (provided proof of disability has been approved); coverage must be in place before child reaches age 26
 - Children under age 30 for employees in Florida (applies to EPO plan only)

All “change in status” events must be reported to the Aerospace Benefits Service Center within 31 days of a qualifying event; this includes divorce. You can make this change online by logging in to the portal or by calling the Aerospace Benefits Service Center. Please see “Changes to Enrollment or Coverage” to the left.

Proof of Dependent Eligibility

You will need to provide proof of eligibility when you first enroll a dependent in an Aerospace benefits plan.

If you have questions about dependent eligibility or required documentation, call the Aerospace Benefits Service Center.

Medical

Medical Plan Options

You may choose from various medical plan options, depending on your location. The plans offer comprehensive medical coverage, including preventive care and prescription drug coverage. See page 29 for 2022 medical plan contribution rates.

The Anthem PPO (Preferred Provider Organization) is available in all states. As a member of a PPO, you can use any licensed provider, but your costs will be lower when you use a BlueCard® PPO network provider.

Two Anthem CDHPs (Consumer Driven Health Plans) are available in all states. Once you meet the deductible, these plans will cover a higher percentage for providers in the BlueCard® PPO network. For details about the CDHP with HSA, please see page 11.

The Anthem EPO (Exclusive Provider Organization) is available in all states except California. You can only use the doctors and hospitals within the EPO network, which is the BlueCard® PPO network.

HMOs (Health Maintenance Organizations) are offered in California, Colorado and the Washington, D.C. area. As a member of an HMO, you can only use the HMO's doctors and hospitals.

Selman & Company/ASI TRICARE Supplement is available to employees, their spouses and their eligible dependents up to age 26 who are eligible for TRICARE/CHAMPUS. You pay 100 percent of the premium for this coverage. Enrollment in this plan will be available online like any other medical plan option.

Claims

PPO Plan and CDHP

When you use a BlueCard® network provider, claims will be submitted by the provider. If you use an out-of-network provider, contact Anthem at 800.756.7274 for claims submission information.

EPO and HMO Plans

You do not have to submit claims with the EPO or HMO plans.

ANTHEM CONSUMER DRIVEN HEALTH PLANS WITH HEALTH SAVINGS ACCOUNTS

The Anthem Consumer Driven Health Plans (CDHP) are high-deductible health plans with lower weekly premiums than most other Anthem plans. If you enroll in one of these plans, you may also be eligible for its savings component, the Health Savings Account (HSA), which allows you to put money away before taxes to pay for medical expenses.

A CDHP is built similar to a traditional PPO plan. Preventive care is covered at 100 percent, even if you haven't met your deductible. With a CDHP, members pay their full medical and prescription costs — and those of their dependents — either out of pocket or with funds from their HSA until the deductible is met.

If you enroll in a CDHP, you will pay full price for office visits, labs, prescriptions and medical procedures that are not considered preventive until the deductible has been reached. In other words, the annual deductible must be met before plan benefits pay for services other than in-network preventive care services.

Once you have met your deductible, the plan pays a portion of the cost, called coinsurance. CDHP plans pay a higher percentage of the cost of eligible expenses when you use in-network providers. Once you reach the out-of-pocket maximum, the plan will pay 100 percent of eligible expenses for the remainder of the calendar year.

Anthem CDHP Deductible and Out-of-Pocket Maximum

Under the Anthem Premium CDHP plan, the family deductible is met when covered expenses for one, or a combination of family members, reaches \$6,000, and the family out-of-pocket maximum is met when covered out-of-pocket expenses for one, or a combination of family members reaches \$18,000.

Under the Anthem Basic CDHP plan, the individual deductible or out-of-pocket maximum applies per member until the overall family deductible or out-of-pocket maximum has been met.

WHAT IS AN HSA?

A Health Savings Account, or HSA, is a pre-tax savings account established to cover your healthcare expenses. Once you enroll in a CDHP, Anthem will establish an IRS-qualified HSA with UMB (bank). Some states such as California and New Jersey consider all HSA contributions to be taxable.

WHO CAN OPEN AN HSA?

Here are the criteria you need to meet to open an HSA:

- You must be covered by an HSA-compatible health plan, such as the CDHP.
- You can't be covered by another medical plan that is not an HSA-compatible health plan. This includes being enrolled in your spouse's plan as a secondary benefit and/or in a Healthcare FSA. (See the "HSA and Healthcare FSA" section for more details on page 13.)
- You must be enrolled in the plan on the first day of the month, otherwise your eligibility to make contributions to your HSA begins the first day of the following month. You may make the maximum annual HSA contribution for the year regardless of the month you become eligible. You must remain enrolled in the HSA-compatible health plan for 12 months of the following tax year.
- You cannot be enrolled in Medicare.
- You cannot be on active military status.
- If you are a veteran, you may not have received veterans' benefits within the last three months.
- You cannot be eligible to be claimed as a dependent on another person's tax return.

If you do not meet the above criteria, you may not enroll in the CDHP with HSA.

WHY OPEN AN HSA?

1. Triple Tax Advantage*

- The money you contribute into your HSA is pre-tax
- The interest you earn on your contribution will grow pre-tax
- When you use your HSA money for eligible expenses, it will not be taxed

2. Aerospace will contribute to your HSA when you enroll in the Anthem Premium CDHP. The Anthem Basic CDHP is not eligible for company contributions. These funds will help you pay your deductible.

- \$750 for Individual
- \$1,500 for Family (employee plus at least one dependent)

This amount is prorated depending on when you join the Anthem Premium CDHP plan. For example, if you are hired on June 10 and enroll in the Anthem Premium CDHP, you will be eligible to open an HSA account on July 1, which is six months' worth of coverage. You will receive a contribution of \$375 (6/12 of \$750) for individual coverage.

Your contribution:

The 2022 IRS maximums are \$3,650 for an individual or \$7,300 for employee plus dependent(s).

- You can contribute the difference between the maximum and the Aerospace contribution
- If you are 55 or older, you can contribute an additional \$1,000 in catch-up contributions

You can change your HSA deduction anytime throughout the year. You can also rollover HSA funds from your previous employer to your Aerospace HSA.

**The federal government and most state governments will not tax your HSA contribution. However, California and New Jersey consider all contributions to an HSA taxable.*

USING YOUR HSA

You can use your HSA funds to pay for eligible medical, dental and vision expenses at any time. Since Aerospace is contributing at the beginning of the year, you may begin using these funds immediately. You can also:

- Use an Anthem-provided debit card to pay for care, provided there are sufficient funds in your account
- Use HSA funds for any type of expense, however, you will pay taxes on amounts used to pay for ineligible expenses
- Invest your HSA money in mutual funds offered through UMB Financial once you reach a balance of \$1,000

You keep your HSA funds even if you leave the company or are no longer enrolled in a CDHP. You can also retain HSA funds to use for future medical care needs later in life. The funds in your account roll over automatically each year and remain in your account until used. There is no time limit on using the funds.

More information about Health Savings Accounts can be found on [IRS Publication 969](#) or under [Health Savings Account \(HSA\) Information](#).

HSA AND HEALTHCARE FSA

IRS regulations are very strict about qualifying requirements for HSA eligibility. One requirement is that no individual eligible for an HSA can be covered by any benefit that provides first-dollar coverage for medical expenses (e.g. copays, prescriptions or other medical expenses). Accordingly, IRS regulations mandate that an employee covered under a Healthcare FSA does not qualify as an eligible individual for purposes of HSA coverage. Any individual participating in both an HSA plan and Healthcare FSA plan would jeopardize his/her tax-favored status in both plans. This applies to your spouse's plan, as well. If your spouse has a Healthcare FSA, this makes you ineligible for an HSA.

Aerospace has a grace period for the Healthcare FSA of two-and-a-half months after the plan year ends. This means employees may spend their 2021 FSA funds until March 15, 2022.

Important

An employee with a balance in a Healthcare FSA as of December 31, 2021, will be ineligible for HSA contributions (including employer contributions) until April 1, 2022. We highly recommend using all your 2021 funds by December 14, 2021, to avoid any delays in the processing of your HSA.

LIMITED PURPOSE FLEXIBLE SPENDING ACCOUNT

In addition to your HSA, the Limited Purpose FSA (LPFSA) is available to those enrolled in a CDHP, although HSA participants are not required to establish one. The LPFSA funds are used to cover eligible dental and vision expenses. You can contribute up to \$2,750 pre-tax dollars in 2022. Simply put, HSA funds can be used to reimburse you for eligible medical, dental and vision expenses and LPFSA funds can be used as a supplement to reimburse you for your eligible dental and vision expenses only.

LPFSA works the same as a traditional FSA, with the same contribution limit and grace period (see page 21). The HSA and LPFSA are administered by Anthem, whereas our Healthcare and Dependent Care FSAs are administered by HSA Bank.

Your LPFSA contributions are deducted from your paycheck in equal amounts during the year. Because contributions are made before taxes are withheld, they are not subject to Social Security tax, federal income tax and, in most cases, state and local income taxes, so you save money. To enjoy the tax-saving benefits of an FSA, you must re-enroll each year. Your LPFSA elections do not carry forward from one year to the next. Also, you forfeit any balance remaining in your account after the deadline.

¹ Subject to plan approval.

² Percentage applied to the usual and customary charge as determined by ExpressScripts.

³ In Colorado, the retail benefit is available at Kaiser pharmacies only; brand non-formulary drugs are not covered for retail or mail order. Mail order copays are \$20 (generic) and \$60 (brand formulary). For injectable specialty drugs there is a 20% copay up to a \$250 maximum.

⁴ Anthem participants who are taking long-term or maintenance medication are required to use the Smart90 program starting with their second refill. This program gives you the choice of refilling 90-day prescriptions by mail or at a Walgreens or CVS store.

COORDINATION OF BENEFITS

When two or more plans cover the same individual, each plan coordinates benefit payments with the other plan or plans to determine the maximum benefit payable. If you plan to enroll in more than one health plan, please review the coordination of benefits rules for your Aerospace health plan. Note that your benefit from the Aerospace plan may be reduced if you are also covered by another plan. Each plan's coordination of benefit rules can be found in the individual Evidence of Coverage (EOC) for that plan. The EOCs for each plan can be found on the benefits home page under the "SPDs and Annual Notices" tab.

PRESCRIPTION DRUG COVERAGE

PPO, EPO and CDHP

Express Scripts, Inc., provides prescription coverage for Anthem PPO, EPO and CDHP subscribers. For more information about your prescription drugs, please visit www.express-scripts.com/aerospace or call Express Scripts directly at 855.778.1413.

HMO Plans

If you participate in an HMO, prescription drug benefits are provided by your HMO.

REQUIRED PRECERTIFICATION FOR HOSPITAL STAYS

PPO Plan and CDHP

When you use a BlueCard® network doctor, they will call Anthem for hospital precertification. If you use a doctor outside the BlueCard® network and your doctor recommends surgery or hospitalization, those medical services must be authorized by Anthem Medical Management Services to receive full plan benefits. If you do not obtain hospital precertification, your benefits will be reduced by 30 percent of the amount that otherwise would be payable. Call Anthem's Utilization Services toll-free at 866.470.6244, Monday through Friday, 8 a.m. - 5:30 p.m. PT.

EPO Plan

Precertification is required for certain services. No benefits are payable if you use a provider that is not in the network.

HMO Plans

Your primary care physician will coordinate all your care, including hospitalization.

NEW SERVICE HELPS PATIENTS GET BETTER, HEALTHIER OUTCOMES

PPO, EPO and CDHP

Anthem members have access to the Total Health Total You (THTY) Select program that will help patients with complex conditions navigate the world of healthcare. Using a combination of clinical experts and app-based resources, THTY Select helps patients identify and implement a personalized plan to improve their health. If you are identified as someone who may benefit from this program, Anthem will contact you directly to participate. There is no additional cost for you to participate in this program.

LIVEHEALTH ONLINE

PPO, EPO and CDHP

Anthem's LiveHealth Online provides you and your dependents with access to video visits from home with a board-certified doctor via your smartphone, tablet or computer. When using LiveHealth Online, you can have a licensed doctor consult on conditions such as pinkeye, colds, the flu, a fever, allergies, a sinus infection or other common health conditions. They can also call in prescriptions to your local pharmacy.

You can also meet online with a licensed therapist (based on therapist availability) for help with anxiety, depression, grief, panic attacks and more. Appointments are scheduled online or over the phone. Visit livehealthonline.com, download the mobile app to register or call customer service at 888.548.3432 any time; representatives are available 24/7.

There is no cost for medical visits for Anthem PPO and EPO members using LiveHealth Online. CDHP members will be charged \$49 before the deductible is met and co-insurance after it's met.

A 45-minute therapy session costs \$49 for all members.

KAISER TELEPHONE APPOINTMENT AND MY HEALTH MANAGER

Kaiser HMO members can meet with a doctor over the phone regarding minor health concerns that may not require an in-person visit. This includes allergies, colds, upper respiratory infections and more.

Sign in to kp.org or call your local Kaiser Permanente Member Services to request information or make an appointment. A Kaiser Permanente doctor will call you back within an hour. You can also access the My Health Manager from your smart phone or mobile device to email your doctor's office, view most test results, schedule or cancel routine appointments, refill most prescriptions, view past visits and more.

Bright Horizons Benefits Your Family

When you have work, family and personal responsibilities competing for your time, there's no need to stress. Instead, rely on Bright Horizons®. Programs include back-up childcare, adult care and eldercare, discounts on full-time childcare and access to additional family supports, including a comprehensive database of qualified nannies, sitters, elder caregivers, pet sitters, housekeepers and more.

To access care:

Go Online: <https://clients.brighthouse.com/aerospace>

Employer Username: Aerospace | Password: Benefits4You

Download the App: Search "back-up care" in the App Store or Google Play

Dental

YOUR DENTAL OPTIONS

Aerospace offers you and your family dental coverage through one of three plans:

- Delta Dental Basic DPPO
- Delta Dental Premium DPPO
- Delta Dental DHMO

If you are enrolled in the Delta Dental PPO today, you will default into the Premium Delta Dental PPO plan unless you make a new election. If you are currently enrolled in the CIGNA Dental Care DHMO or the Anthem Dental Net DHMO, you will be enrolled automatically in the new Delta Dental DHMO unless you make a new election. Be sure to check the provider network before enrolling to see if your current providers participate in the Delta Dental DHMO network.

Check out the Delta Dental “Find a Dentist” tool at deltadental.com to search for in-network dentists in your area. You’ll need to know which network(s) your plan includes. You can find out which network you have by signing in or registering for an account. You can also search by dentist or practice name, specialty, languages spoken, gender, office hours and which dentists are accepting new patients.

Plan Feature	Delta Dental Basic DPPO	Delta Dental Premium DPPO	Delta Dental DHMO
Providers	Any provider, but a participating Delta dentist will not balance bill	Any provider, but a participating Delta dentist will not balance bill	Participating providers only
Annual Deductible	\$25 individual/\$75 family No deductible if you use PPO Provider	\$25 individual/\$75 family No deductible if you use PPO provider	None
Annual Benefit Maximum	\$1,000 per person	\$2,000 per person	None
Diagnostic and Preventive¹	Plan pays 100%	Plan pays 100%	100%
Basic Services	Plan pays 80%	Plan pays 80%	Copays apply
Major Services	Plan pays 40%	Plan pays 50%	Copays apply Bridges and implants not covered
Orthodontia	Not covered	Dependent children only 50% up to \$2,000 lifetime maximum	Children and adults Copays apply

¹ Diagnostic and preventive services do not count towards the annual maximum

Delta Dental Basic and Premium DPPO Plans

You may use the services of any dentist; however, you are encouraged to use participating Delta dentists because they have agreed to Delta’s determination of fees. If you use a non-Delta Dental provider, you must pay the difference between their charge and the plan’s allowable amount.

Within the Delta Dental DPPO plan, there are two networks of dentists: the DPPO network and the Premier network. Since Delta has lower pre-negotiated rates with dentists under the DPPO network, you pay lower fees compared to those in the Premier network. The \$25 annual deductible (per person) is also waived when using a DPPO network dentist.

Please note: Married employees or same-sex partners who are both employed by Aerospace can each cover their spouse as a dependent; dependent children may be enrolled under both employees’ policies. This dual coverage can reduce or eliminate your out-of-pocket expenses for dental benefits.

Delta Dental DHMO

When you enroll in the Delta Dental DHMO, you must choose a primary care dentist from the DeltaCare USA network and use the plan’s participating dentists for services to be covered. Under the plan, many services are covered at 100 percent, with no annual deductible; other services will require a copayment. To view a list of copayments, visit the Aerospace Benefits Service Center portal.

Please call 888.DELTA CS (888.335.8227) to inquire if your current dentist is a DPPO or Premier provider or visit www.deltadentalins.com. If your dentist is in both networks, you will pay the DPPO network level.

Vision

Vision care services are provided by Vision Service Plan (VSP), a nationwide network of more than 17,000 optometrists and other eye care providers. You have two vision choices: Basic and Premium.

You will receive the highest benefits from the plan when you use the services of a VSP provider, but you may also use any vision care provider. If you use a non-VSP provider, you will need to submit copies of your receipts directly to VSP for reimbursement.

If you are enrolled in an HMO to cover your medical needs, check what vision care coverage is included within your HMO coverage. There may be some duplication of coverage if you enroll in this VSP plan.

Select your eye doctor and make an appointment identifying yourself as a VSP member. The doctor's office will verify your eligibility directly with VSP and confirm your appointment. A list of eligible doctors is available at www.vsp.com. You may also ask the doctor's office if they are a VSP provider.

Plan Feature	Basic Plan: VSP Provider	Premium Plan: VSP Provider	Basic and Premium: Non-VSP Provider
Annual Deductible	\$25 per person	\$25 per person	\$25 per person

Flexible Spending Accounts (FSAs)

Flexible Spending Accounts (FSAs) allow you to set aside pre-tax dollars to pay for eligible healthcare and dependent care expenses. It's like getting an automatic discount.

Aerospace offers two different flexible spending accounts that are administered by HSA Bank:

- Traditional Healthcare FSA available only to those not enrolled in the CDHP with an HSA
- Dependent Care FSA, which reimburses you for dependent care expenses (such as daycare)

During enrollment, you decide how much you want to contribute to your account. You may contribute up to \$2,750 in 2022 to the Healthcare FSA and/or up to \$5,000 per year to the Dependent Care FSA (up to \$2,500 if you are married and file separate tax returns). You cannot change your contribution amounts during the plan year unless you have a special enrollment or a change in status (see page 9.)

Claiming Benefits

When you have eligible expenses, you submit a claim for reimbursement. Here are a few tips on claims:

- The Healthcare FSA and Dependent Care FSA function separately. This means you cannot use healthcare funds to pay dependent care expenses and vice-versa.
- Be sure to keep receipts for all expenses; you may need them to verify your expenses are eligible for reimbursement. For a complete list of eligible expenses, visit [irs.gov](https://www.irs.gov) or hsabank.com/IRSQualifiedExpenses.
- Healthcare expenses are reimbursed up to the total amount of contributions elected for the calendar year, while dependent care expenses are reimbursed up to the total amount available in your account on the date your claim is processed.
- When you enroll, HSA Bank will send you an HSA Bank Health Benefits Debit Card to use when you make purchases for qualified expenses (such as at a doctor's office or pharmacy).
- If you incur an expense and you do not use your debit card, you can submit claims online at the HSA Bank website. Information on how to access your HSA Bank account will be provided in December.
- For the 2022 plan year, you may incur expenses through March 15, 2023. All claims must be received by HSA Bank by April 30, 2023. Please note: If you terminate employment, you may only submit claims for eligible expenses incurred while employed.
- Your FSA elections do not carry forward from one year to the next. Also, you forfeit any balance remaining in your account after the deadline.

HEALTHCARE FSA

The Healthcare FSA gives you a tax savings benefit on many healthcare expenses that are not covered by other plans. By anticipating your expenses and arranging for deductions to be made from your paycheck on a pre-tax basis, you can lower your tax bill.

When you incur an eligible expense, you may either use your HSA Bank debit card, file a claim for reimbursement online or submit a paper form. Regardless of the method you use, you should always keep your receipt, which should include the following:

- Name and address of the service provider
- Name of the person receiving the service
- Date of service
- Description of the service obtained or product purchased and the amount charged

If you use your HSA Bank debit card, HSA Bank may request you to “substantiate” or provide supporting documentation, such as an Explanation of Benefits (EOB), for that expense. If you do not provide HSA Bank with substantiation, your card will be deactivated and you will be taxed on the unsubstantiated amount.

Eligible Healthcare Expenses

Below is a partial list of common expenses eligible for reimbursement through the Healthcare FSA. (This does not apply to the Limited Purpose FSA, which only covers eligible dental and vision expenses.) You may use the Healthcare FSA for yourself and your eligible dependents, as defined under Internal Revenue Code Section 152. To be eligible for reimbursement, the expense cannot be covered by other insurance. If you have questions about eligible expenses, please visit irs.gov or hsabank.com/IRSQualifiedExpenses.

Medical Expenses	Dental Expenses	Vision Care Expenses	Hearing Care Expenses
<ul style="list-style-type: none">▪ Acupuncture▪ Chiropractor fees▪ Laboratory fees▪ Medical charges over the maximum reimbursable charge▪ Medical deductibles, copays and coinsurance▪ Over-the-counter medication if prescribed by a physician (insulin does not require a prescription)▪ Prescription drugs▪ Vaccinations and immunizations▪ X-ray fees	<ul style="list-style-type: none">▪ Artificial teeth▪ Cosmetic surgery (only if required to treat an illness, injury or disfiguring disease)▪ Orthodontia expenses not covered by a dental insurance plan▪ Routine examinations not covered by a dental insurance plan	<ul style="list-style-type: none">▪ Contact lenses▪ Contact lens solutions and cleaners▪ Eye examinations▪ Frames▪ Lenses▪ LASIK eye surgery▪ Optometrist charges▪ Prescription eyeglasses	<ul style="list-style-type: none">▪ Ear examinations▪ Hearing aids▪ Special telephone for the hearing impaired

USING YOUR HEALTHCARE DOLLARS

PPO: Preferred Provider Organization
EPO: Exclusive Provider Organization
HMO: Health Maintenance Organization
CDHP: Consumer Driven Health Plan

FSA: Flexible Spending Accounts
HSA: Health Savings Account
LPFSA: Limited Purpose Flexible
Spending Account

DEPENDENT CARE FSA

The Dependent Care FSA is a tax-effective way to pay for childcare or other dependent care services if:

- You and your spouse work outside the home (this is also true if your spouse is actively looking for work)
- You work outside the home and your spouse is a full-time student at least five months of the year
- You work outside the home and your spouse is incapable of self-care

If you wish to participate, you must enroll each plan year, as contribution amounts are not carried forward from one plan year to the next. You can set aside up to \$5,000 each year on a pre-tax basis to cover dependent care expenses for your child(ren) under age 13 or a dependent who is not physically or mentally able to care for himself/herself. The amount you contribute to this account cannot be greater than your income or your spouse's income, whichever is less. If your spouse contributes to a Dependent Care FSA through his/her employer, your combined contributions may not exceed \$5,000. If you are married and file separate tax returns, you can each contribute up to \$2,500 per year.

To receive reimbursement from your Dependent Care FSA, you will need to file a claim form. You are required to provide the name, address and tax identification or Social Security number of the service provider on the claim form. You will be reimbursed for the amount of your claim provided the balance of your account is equal to or more than the amount of your claim and the services have already been provided. If you don't have enough money in your account to cover the expense, you'll receive the additional reimbursement when enough money has been deducted from your paycheck and deposited into your Dependent Care FSA.

Note: You will also receive a debit card that can be used to pay for eligible dependent care expenses.

Dependent Care Expenses

You can use the Dependent Care FSA funds for:

- Dependent care at nursery schools, day camps and licensed daycare centers. The daycare center must comply with state and local laws and receive a fee for its services. The portion of schooling expenses that is strictly care-related may be eligible; tuition expenses for education are not.
- Services from individuals who provide daycare in your home, except when the provider is the parent of the child, your dependent, or your child under age 19.
- Daycare centers that provide nonresidential daycare for dependent adults.
- Household services related to the care of an eligible dependent.
- FICA and other taxes you pay on behalf of the daycare provider.
- Generally, any other expense that qualifies as dependent care under IRS regulations.

Life Insurance

BASIC COVERAGE – COMPANY PAID

The company pays the full cost of:

- **Basic Life Insurance** of one time your annual salary, up to a maximum of \$200,000. All regular employees are eligible for this plan (regular part-time employees receive 50 percent of this amount).

OPTIONAL COVERAGE – EMPLOYEE PAID

You may purchase the following employee-paid life insurance coverage:

- **Employee Optional Life Insurance** from one time up to eight times your annual salary, to a maximum of \$2,000,000. Coverage amounts over \$500,000 require evidence of insurability. Note that coverage is reduced 40 percent from age 70–74, 60 percent from age 75–79 and 70 percent at age 80 and older. Your reduced benefit will be calculated based on your annual salary as of September 30 each year.
- **Spouse or Legally Registered Same-Gender Domestic Partner Life Insurance** in \$25,000 increments up to a maximum of \$250,000. Note that coverage is reduced 40 percent from age 70–74, 60 percent from age 75–79 and 70 percent at age 80 and older. You must elect employee optional life insurance of at least one time your salary to elect this coverage. The amount of spouse optional coverage may not exceed 100 percent of the combined basic and optional amount of life insurance in force for the employee.
- **Child(ren) Life Insurance** in \$5,000 increments up to a maximum of \$25,000 per child. If you enroll dependent children, you must elect employee optional life insurance of at least one time your salary. Children must be less than 26 years old.

If you do not elect optional coverage during your initial eligibility period as a newly hired employee, evidence of insurability will be required for any coverage requested later.

Eligible employees and their dependents who work at Aerospace can be enrolled in Employee-paid Optional Life Insurance as an employee or a dependent, but not both. Also, children can only be covered by one Aerospace employee.

Accident Insurance

VOLUNTARY PERSONAL ACCIDENT (VPA) INSURANCE

This plan offers full, 24-hour, 365-day protection against accidental death and dismemberment anywhere in the world, on or off the job, except as otherwise excluded or limited by the insurance policy. This coverage is offered through a third-party insurer.

- All regular and temporary Aerospace employees who work at least 20 hours a week are eligible for coverage
- Your legally married spouse or registered same-gender domestic partner are also eligible
- Unmarried children under age 19
- Unmarried children under age 26 are eligible for coverage, if attending school full-time

Eligible employees and their dependents who work at Aerospace can be enrolled in Voluntary Personal Accident Insurance as an employee or a dependent, but not both. Also, children can only be covered by one Aerospace employee.

You can select an amount of coverage for yourself in increments of \$10,000 up to \$600,000, if any amount you choose over \$300,000 is not more than 10 times your basic annual earnings. You can also cover your spouse or legally registered same-gender domestic partner and each of your dependent children. The maximum coverages available are \$600,000 for your spouse and \$50,000 for each child.

The coverage amount for dependents will be a percentage of your coverage amount, as follows:

Plan Selected	Spouse/DP Benefit (% of Employee Benefit)	Child(ren) Benefit (% of Employee Benefit)
Spouse/Domestic Partner Only	100%	No coverage
Dependent Child(ren) Only	No coverage	15%
Spouse/DP and Dependent Child(ren)	80%	15%

Coverage amounts decrease at age 70, as shown above.

Decreased Coverage Beginning at Age 70	
Attained Age	Benefit Amount
70–74	65% of the full amount
75–79	45% of the full amount
80–84	30% of the full amount
85 and older	15% of the full amount

OCCUPATIONAL ACCIDENT INSURANCE

The company pays the full cost of this plan, which offers protection against accidental death and dismemberment, anywhere in the world, while on or off Aerospace premises performing the usual and customary duties of your regular occupation or while traveling for official Aerospace business. All employees are eligible for this plan. Coverage is equal to four times your annual salary up to a maximum of \$400,000 (part-time employees and casual employees receive 50 percent of this amount). This means that your beneficiary would receive this amount in the event of your accidental death. This coverage is offered through a third-party insurer.

The plan includes:

- **Commutation Coverage:** Coverage for injuries suffered while commuting directly to or from your home and place of regular employment. Coverage begins when you leave your home or place of work and ends when you arrive at your home or place of work. Except for events beyond your control, excluded injuries are those arising out of or during any deviation from your normal route for personal reasons. The maximum amount payable under this coverage will be \$50,000.
- **Travel Assistance Plan:** A comprehensive travel assistance program that offers you benefits and services when traveling 100 miles or more from your principal residence. Coverage includes medical evacuation, hospital visit and repatriation.

Disability Coverage

SHORT-TERM DISABILITY (STD) COVERAGE

Short-term Disability plans provide income replacement to employees who are unable to work for extended periods of time for medical reasons.

- **California State Disability Insurance (SDI):** The weekly benefit is 60 percent of weekly salary up to a maximum of \$1,540 per week for up to 52 weeks. This coverage is offered through the state.
- **Non-California Short-term Disability Insurance (STD):** for employees in states other than California, provides 60 percent of weekly benefit up to \$1,540 per week for up to 52 weeks. This coverage is offered through a third party insurer.

Short-term disability benefits are paid to employees through a combination of company-provided supplemental sick leave pay and either state disability insurance (SDI) for employees in California or group disability insurance which is made available to employees outside California during the company's annual benefits enrollment period. The company-provided supplemental sick leave pay is added to the short-term disability insurance benefit to provide disabled employees with 90 percent of their gross salary for up to the first three months of leave, and 80 percent after three months to six months of leave. For additional information, please see Policy P-21 Leaves.

GROUP LONG-TERM DISABILITY (LTD) PLAN

The Group Long-term Disability Plan provides a regular monthly income after six months (180 days) of total disability. If you work full time and are not receiving other income benefits, the amount of your monthly long-term disability benefit is equal to 60 percent of your monthly rate of basic earnings, up to a maximum monthly benefit of \$10,000. This coverage is offered through a third-party insurer. You may choose between two plan options, each paying the same benefit:

- **50 Percent Employee Paid:** You pay half the cost of the LTD coverage and the company pays the other half. Under current IRS rules, 50 percent of the LTD benefits you receive would be considered taxable income.
- **100 Percent Employee Paid:** You pay the full cost of the LTD coverage. Under current IRS rules, the full amount of LTD benefits you receive would be considered non-taxable income.

LTD benefits are payable monthly, beginning 180 days after the disability begins. Benefits are payable during the disability, provided you are under the regular care of a physician and approved by the LTD carrier.

Exclusions

Please note that LTD benefits are not payable:

- For a disability beginning within 24 months of your enrollment in LTD coverage that is caused by, or substantially contributed to, a pre-existing condition. You are considered to have a pre-existing condition if you received medical treatment, care or services for a diagnosed condition or took prescribed medication for a diagnosed condition in the 12 months immediately prior to the date your LTD coverage begins. You are also considered to have a pre-existing condition if you experienced symptoms within 12 months of the date your LTD coverage begins for which a prudent person would usually seek medical diagnosis or treatment.
- For a disability caused by war or act of war, your commission or attempt to commit a felony, your being engaged in an illegal occupation or a disability that is caused or contributed to by an intentionally self-inflicted injury.

SUPPLEMENTAL LONG-TERM DISABILITY (LTD) COVERAGE

If you elect Group Long-term Disability (LTD) benefits, you may also elect Supplemental Long-term Disability coverage and receive a total benefit of 70 percent of your monthly rate of basic earnings, up to a maximum combined monthly benefit of \$15,000. Supplemental LTD coverage provides an additional 10 percent benefit in addition to the 60 percent Group Long-term Disability Plan benefit described above.

Open enrollment for this coverage begins on August 1 with an effective date of October 1. This coverage is offered through a third-party insurer.

EVIDENCE OF INSURABILITY

If you do not elect STD or LTD coverage during your initial eligibility period as a newly hired employee, evidence of insurability will be required for coverage requested later.

Employee Assistance Program (EAP)

The Anthem EAP is available to assist you and your household members with issues affecting many families today. This confidential service includes unlimited telephone sessions and five face-to-face counseling sessions per household member, per calendar year, per incident. There are no charges to you for these services.

EAP representatives are available 24 hours a day, 365 days a year to assist you with issues such as:

- Relationship or family problems
- Stress, anxiety and depression
- Childcare/eldercare referrals
- Legal/financial referrals
- Convenience services
- ID theft recovery
- Work-related issues
- Parenting issues
- Trauma, grief and loss
- Smoking cessation
- Alcohol or drug abuse

Pet Insurance Plan

Aerospace offers My Pet Protection® from Nationwide to help you provide your pets with the best care possible by reimbursing you for vet bills. You can get cash back for accidents, illnesses, hereditary conditions and more. New enrollees can choose from two coverage levels – 50 percent or 70 percent reimbursement on your pet's care* – after you meet a \$250 annual deductible per pet. The plan pays up to \$7,500 in benefits each year.

Once enrolled, all plans will renew automatically each year. The renewal period starts 60 days before the policy's current 12-month term expires. Your policy's effective date and expiration date can be found on the Declarations Page, which is included with the policy packet mailed to you at each new term. All currently enrolled pets will be grandfathered into their existing plan upon renewal.

You're free to use any vet and will get additional benefits for emergency boarding, lost pet advertising and more. Plus, Nationwide's 24/7 **vethelpline**® is available as a free service to all pet insurance members.

To get a fast, no-obligation quote, contact Nationwide online at PetsNationwide.com or call 877.738.7874. If you purchase a policy, you will make payments directly to Nationwide.

*Some exclusions may apply. Certain coverages may be excluded due to pre-existing conditions. See policy documents for a complete list of exclusions.

Your contributions are made on a pre-tax basis. If you enroll a same-gender domestic partner (DP), contributions for his or her coverage or your partner's dependents' coverage are taken on an after-tax basis. The company's contribution toward their coverage may be included in your taxable income for the year.

DENTAL PLAN WEEKLY CONTRIBUTIONS

Your contributions are on a pre-tax basis.*

Plan	Coverage Category	Your Weekly Cost	Aerospace Pays	Total Cost
Delta Dental Basic DPPO	Employee Only	\$2.92	\$5.43	\$8.35

EMPLOYEE PAID OPTIONAL LIFE INSURANCE WEEKLY CONTRIBUTIONS*

Employee Optional Life Insurance	
Employee Age	Weekly Cost per \$1,000 of Coverage*
Under age 35	\$0.007
35-39	\$0.009
40-44	\$0.010
45-49	\$0.019
50-54	\$0.030
55-59	\$0.042
60-64	\$0.069
65-69	\$0.124
Age 70 and older	\$0.260

* You may choose coverage from 1x to 8x your annual salary, up to \$2,000,000.

Example: A 45 year-old employee elects 1x annual salary at \$95,000 of coverage. The weekly cost is: $\$95,000/\$1,000 \times \$0.019 = \1.80 per week.

Spouse/Domestic Partner** Life Insurance	
Spouse/Domestic Partner Age	Weekly Cost per \$1,000 of Coverage
Under age 25	\$0.009
25-29	\$0.011
30-34	\$0.015
35-39	\$0.016
40-44	\$0.018
45-49	\$0.027
50-54	\$0.042
55-59	\$0.078
60-64	\$0.119
65-69	\$0.230
Age 70 and older	\$0.372

* Coverage amount is rounded to the nearest \$1,000. Coverage is available in increments of \$25,000 up to \$250,000.

** Legally registered, same-gender partner

Example: An employee elects \$50,000 of coverage for his 40-year old spouse. The weekly cost is: $\$50,000/\$1,000 \times \$0.018 = \0.90 per week

CHILD(REN) LIFE INSURANCE

The weekly cost for Child(ren) Life Insurance is \$0.122 per \$5,000 of benefit, regardless of the number of children. Coverage is available in increments of \$5,000 up to \$25,000.

VOLUNTARY PERSONAL ACCIDENT PLAN WEEKLY CONTRIBUTIONS

As noted earlier, you can select an amount of coverage for yourself in increments of \$10,000 up to \$600,000, if any amount you choose over \$300,000 is not more than 10 times your basic annual earnings. The chart below shows a sampling of coverage amounts for reference.

Principal Sum (sample coverage amounts)		Both Spouse/Domestic Partner and Children		Your Weekly Cost	
Employee	Spouse/ Domestic Partner*	Spouse/ Domestic Partner*	Each Child	Employee Only	Employee and Dependents
\$10,000	\$10,000	\$8,000	\$1,500	\$0.05	\$0.10
\$50,000	\$50,000	\$40,000	\$7,500	\$0.25	\$0.50
\$100,000	\$100,000	\$80,000	\$15,000	\$0.50	\$1.00
\$200,000	\$200,000	\$160,000	\$30,000	\$1.00	\$2.00
\$300,000	\$300,000	\$240,000	\$45,000	\$1.50	\$3.00
\$400,000	\$400,000	\$320,000	\$50,000	\$2.00	\$4.00
\$500,000	\$500,000	\$400,000	\$50,000	\$2.50	\$5.00
\$600,000	\$600,000	\$480,000	\$50,000	\$3.00	\$6.00

* Legally registered, same-gender partner

DISABILITY PLANS WEEKLY CONTRIBUTIONS

Short-term Disability Insurance (STD)

California State Disability Insurance (SDI): The payroll deduction is 1.1 percent of the taxable wage base (maximum \$145,600). The maximum benefit is \$1,540 per week.

Example: If you earn \$100,000 per year, your weekly cost would be \$21.15 (\$100,000 divided by 52 multiplied by 0.011). You pay a maximum premium of \$1,099.80 per calendar year

Non-California Short-term Disability Insurance: The weekly payroll deduction is \$0.0785 per \$10 of your weekly benefit up to the maximum benefit of \$1,540 per week.

Example: To determine your cost, we need to calculate your weekly benefit. It is equal to 60 percent of your weekly earnings up to a maximum of \$1,540 per week. If you earn \$100,000 per year, your weekly benefit would be \$1,153.85 (\$100,000 divided by 52 multiplied by 0.60). Your weekly cost would be \$9.06 (\$1,153.85 divided by \$10 multiplied by \$0.0785).

Group Long-term Disability (LTD) Plan

50 Percent Employee Paid

- You pay half of the cost of coverage; 50 percent of the benefit is not taxable.
- Your weekly cost is \$0.15 for each \$100 of weekly salary.

Example: If you earn \$100,000 per year, your weekly cost would be \$2.88 (\$100,000 divided by 52 x \$0.15/\$100)

100 Percent Employee Paid

- You pay the full cost of coverage; benefits are not taxable.
- Your weekly cost is \$0.30 for each \$100 of weekly salary.

Example: If you earn \$100,000 per year, your weekly cost would be \$5.77 (\$100,000 divided by 52 x \$0.30/\$100)
