

Family Planning How We Help

Health Advocate is dedicated to helping you get the healthcare you need, including family planning options.

Your Personal Health Advocate:

Registered Nurses

Benefits and
Claims Specialists

- Listen, answer questions
- Connect you with high-quality providers
- Answer benefit/coverage questions
- Research and help find local or state resources to assist with questions about providers and access to care
- Coordinate with your company's other benefits programs, including any specific benefits regarding family planning
